

Beloved,

Father's Heart for this intimate time & space is to **BEHOLD** Him; however He most longs to be with you, touch & reveal Himself to you in His Presence, Love & Glory as Holy Spirit leads. Live worship is offered up solely as first love ministry to the Lord, setting place for Him to rest, dwell & move among us! While there may be some familiar songs at times, you are invited to simply enter into Heaven's river in an atmosphere of Holy Spirit prophetic worship flow . . . and receive the fullness of His heart's desire.

The original Hebrew & Greek for “behold” from Psalm 27:4, John 1:36 & Rev 5:5-6 means *to “see, look, gaze upon, have a vision of, prophesy”*. So, beloved, enter in ~ *selah* ~ and respond, be & move with Him personally & corporately together as He moves in our midst!
